Vehicular access and parking

Holders of relevant permits (allowing parking on double yellow lines) may park in Burford Road, adjacent to the rear entrance to the cinema.

Level parking is also available in the nearby long-stay 'pay and display' public car park on Burford Road. There are allocated spaces for disabled parking and 'blue badges' are valid.

Main Entrance

This is located on the corner of Port Street and Burford Road. Two sets of double doors are reached via three steps. Members of staff are on hand to assist persons with reduced mobility (PRM) or those with small children and pushchairs. Space is available for storing pushchairs during performances.

The 'art deco' staircase is curved at all floor levels. The steps have contrasting marking.

Burford Road Entrance

The double doors on the north elevation of the building are accessed from Burford Road and provide suitable access for clients with reduced mobility. A specially designed gate has been provided to prevent obstructing the pedestrian pavement. The gate is fitted internally with a quick release mechanism. External key access for disabled access and deliveries is provided. Please call the box office or ask any member of staff if for reasons of disability you need to use the Burford Road entrance to the cinema instead of the main entrance.

Ground Floor

Two disabled/baby change toilet facilities are located at the front of the auditorium.

The facility is unisex and fitted with both an assistance alarm (pull cord style) reachable by PRM from both wheelchair and WC. There are visible and audible indicators to confirm activation and the system is distinguishable from the fire alarm. It may be both cancelled or reset from the wheelchair and WC.

In addition to the audible building fire alarm, a visual indicator is located within this toilet facility.
